Dear Parents and Athletes:

Eleven summers ago, the HOOP ISLAND BASKETBALL CAMP was born. Many of our area's boys and girls participated in a great week of fun and learning. The participants took part in building the foundation of what we know will be a long list of accomplished HOOP ISLAND graduates.

The boys & girls teams at Portsmouth High School and other local high schools have Hoop Island graduates on their rosters and some of our past campers have been selected to All-State, All-Division, and All-County Teams.

For the eleventh year, we have committed ourselves to providing boys and girls of many ages and abilities with the opportunity to improve in a fun and structured environment. The summer is the ideal time to work on your individual game, and our staff is dedicated to making you the best you can be. Our goal is to raise every athlete's level of performance, while having fun.

Join us this summer as we kick off what we know will be another exciting and rewarding experience for our local boys and girls.

Sincerely,

Jeff Goss
